PREFACE

THE Fifth Edition of the North West Brand Book is the largest and most complete yet issued. The task of compiling it was much greater than was anticipated, and some delay occurred from this cause and also from the desire of the Government to include all brands recorded up to Jan. 1st, 1900.

The book is compiled direct from the Government records at Regina. While the greatest possible care has been taken to ensure accuracy, it is quite possible, where so many thousand brands are involved, that mistakes have occurred. Where such are found, the publishers will be glad to have them pointed out for correction in next year's edition. It must be borne in mind, however, that a brand cannot be altered in the body of the Brand Book unless it is first changed on the records at Regina. Brands in the ranch cards may, of course, be changed to suit the owners, irrespective of the Government records.

Orders for ranch cards in the next edition may be sent in at any time.

THE CALGARY HERALD CO., LTD

Ranchers' Printing

It is to a cattle owner's advantage that his brand should be as widely known as possible.

Many ranchers adopt the excellent plan of having a cut showing their brand printed on their letter paper and envelopes.

It costs very little more than you pay a stationer for blank writing paper.

We have special facilities for engraving brands.

One thousand sheets large letter paper, with brand, name, address, etc., neatly printed, for $4.50; 500 for $3; 250 for $2.

Ranchers' envelopes, neatly printed, 1000 for $3.50; 500 for $2; 250 for $1.25.

Cash with order.
